

## Let's start a new week!

From October 26<sup>th</sup> to November 01<sup>st</sup> 2020

### Monday, October 26<sup>th</sup> 2020

#### Excursion tip: Leisure mountain Ahorn in Mayrhofen

Today is the last day of operation of the Ahornbahn cable car for the 2020 summer season. The leisure trail running across the entire Ahorn plateau is a special experience. The circular trail provides information about the diverse flora and fauna of the Zillertal Alps and impresses with various places for enjoyment and well-being.

The hiking trail to the Filzenkogel offers all mountain climbers the opportunity to immortalize themselves in the summit book with a breathtaking panoramic view of the Zillertal Alps and the alpine pasture management trail to the Filzenalm offers interesting insights into the management of this alpine pasture with information stations.

#### Mexican Agave Adventure

Today, the Eden Bar is all about agaves. You have the opportunity to taste rare agave distillates. Our competent bar team shows the versatility of this fruit on the basis of various mixed drinks.

Themed evening at the Eden Bar until 10 p. m.

### Tuesday, October 27<sup>th</sup> 2020

#### Guided hike: Nature experience „Glocke“ in Finkenberg

Joint trip in the direction of Ginzling to Gasthof Hochsteg by stagecoach. From there the hike starts right over a beautiful old bridge and past the Gasthof Hochsteg chapel. The path leads up to Finkenberg past the beautifully situated Finkenberg cemetery and on to the “Teufelsbrücke” bridge. Comfortable hike, total walking time about 2 hours

**Meeting point** is at 09.30 a.m. at the Reception in MalisGarten.

**Registration** possible until Monday, 26.10.20, 7 p.m. at the reception

#### Whiskey vs. Whisky

Whiskey is known for its outstanding variety. We explain the difference between the Oceanic, Scottish and Irish varieties in the form of direct tastings and mixed drinks.

From 4 p.m. at the Eden Bar,  
€ 25,00 per Person

Wednesday, October 28<sup>th</sup> 2020

**Herbal work shop at 10.30 – Walk through the herbal garden & production of a hydrolate**

Why is the mint the “herb of all herbs” according to Hildegard von Bingen? And was Estragon really once a dragon herb? What makes the fennel so strong that even Roman gladiators ate it before their competitions? Kitchen spices do not only taste delicious, but also conceal incredibly strong healing powers.

**Meetingpoint** at 10.30 a.m. at the reception in MalisGarten possible, duration 1-2 hours.

**Registration** possible until tuesday, 27th of October, 15.00 p.m at the reception.

**Rarity tasting at the Eden Bar**

Alexander Morgenstern takes you on an extraordinary journey through historical moments, sensory facts and different continents. Four special rarities from our certified Next Level & Natura Bar will be tasted. Find out what reality really is and how much is actually about marketing.

Start at 8:30 p. m. Participation only possible with prior registration at the reception until Wednesday 2 p.m. .  
Price: €75,00

Thursday, October, 29<sup>th</sup> 2020

**Cocktail course at the Eden Bar**

Historical cocktail course with bar manager Alexander Morgenstern. After this exciting afternoon you will mix cocktails without memorizing a recipe and learn all about the history of cocktails from 1690 to 2020.

Luxury Hotel Collection

**Excursion tip: Natur Eis Palast in Tux**

The Natur Eis Palast at the Hintertuxer Glacier is a worldwide unique natural jewel and an ideal year-round destination for the whole family. The entrance to the ice cave is only a few minutes walking from the top station of the Gletscherbus 3. On guided tours, the motto is "Please enter!" into the wonderful world deep below the ski slopes.

**Krimml waterfalls**

The Krimml Waterfalls are the fifth highest waterfalls in the world with their impressive drop height of 380 m. Experience the refreshing mist and the imposing power of the water in the middle of the dreamlike scenery of the National Park Hohe Tauern.

*MalisGarten Herbarium Spa products of the week*

Our competent staff will be happy to advise you on the entire

**Massage candle from PINO**

The 100% natural massage candles from PINO made in Germany consist mainly of a skin caring beeswax and coconut oil. With a melting temperature of 50°C-60°C the liquid wax can be used directly for warm massage. All scents of the candles can be found in our MalisGarten Herbarium Spa.

**Matting power fluid Ebenholz**

The matting, refreshing power fluid with chestnut extract from controlled cultivation provides a natural, shine-free appearance. The fluid binds excess oil, stimulates microcirculation, creates a natural skin texture, mattifies and refreshes for a long time.

*In the smallest things  
shows nature the greatest wonders*
